

**Keith Edmisten**  
**Professor, Crop & Soil Sciences**  
**College of Agriculture & Life Sciences**

Keith Edmisten has been on the faculty at NC State since 1992 and has served on the faculties at Mississippi State University and Auburn University prior to that. He served in the NC State Faculty Senate in the mid 2000's and found the experience to be rewarding. During that time, he served on the Academic Policy Committee. He has experience and is currently involved with all three land-grant missions of the University - research, teaching, and extension.
