Old Business: Faculty Senate Incentives Proposal
Notes

- Discussing the ranking of the suggestions
- Beef up the 'intro' of the proposal
- Need to include the feedback of the faculty; if we chat with the provost we need to be able to say that this is the will of the faculty

Action items

- Take the Recognition Document to Lead Senators 1st
 - Get a list of the current lead senators
 - Ask them to come to the GoCore meeting (or to rank items) - order
 - Prepare a quick statement that the lead senators can send to their senators?
- Then take the document to the Full Faculty
 - Make sure we encourage response (and vote on favorite items if needed after lead senator comments)
- Take to Full faculty with numbers of responses to show impact (impact by college?)
